Ask your dealer about
WAKEFIELD BRIDGE™ long-life
steel shingles and our limited
50-year transferable warranty.

THE SMART ALTERNATIVE

WAKEFIELD BRIDGE™ steel shingles are designed as an alternative to common asphalt shingles, but with the toughness and long-lasting qualities of high-strength steel roofing panels. With our limited 50-year transferable warranty, these steel shingles may very well be the last roof you install on your house for as long as you live.

WAKEFIELD BRIDGE™ steel shingles are manufactured with a stucco-embossed finish for greater strength and a distinguished look.

THE SUPERIORITY OF STEEL

Steel shingles carry the unquestionable advantage of being long-lasting. They will not rot, curl, crack, break, chip, peel and perforate under normal use and minimum maintenance. Have no fear of rain, ice, sleet, frost, hail (UL 2218 Class 4).

DESIGNED TO RESIST HIGH WINDS

WAKEFIELD BRIDGE™ steel roofing panels are manufactured in compliance with the High Velocity Hurricane Zone provisions of the Florida Building Code and are designed to resist high winds (FAS100, Miami-Dade, 110 mph) and burning embers (fire-rated class A, ASTM E108).

FLUOROPON™ L/S SR, PREMIUM FLUOROPOLYMER COATING WITH 70% PVDF SYSTEM AND SOLAR REFLECTIVE PIGMENTS	PVDF PRE-PAINTED GALVALUME (AZ55) STEEL SYSTEM
CORROSION RESISTANT PRIMER	WITH COOL ROOF® TECHNOLOGY
CHROMATE CHEMICAL PRE-TREATMENT TO ENHANCE PAINT ADHESION AND CORROSION RESISTANCE	REFLECTING SOLAR RADIATION ASTM-A792
